

PC Comms Ltd

Bringing you broadband and great customer care via

PC2WEB.CO.UK

ADSL MAX is here....

Up to 8MB downloads

We have a full range of connections available at WWW.PC2WEB.CO.UK

With ADSL MAX products please be aware that although 8MB is talked about all the time, your line may not support it. So please visit the following site to check. <http://www.btbroadbandoffice.com/broadband/availability>.

If you are interested, then please visit www.pc2web.co.uk or call us on 0845 2334558 to discuss your requirements.

For competitive business broadband, excellent service, reliable connections and local support, look to PC2WEB powered by PC Comms.

PC Comms, making computers work.....

Example

Service	Download	Upload
Standard Broadband	1MB	256KB
ADSL MAX	8MB*	846KB*

* depends on distance from exchange and quality of line.
